

# TEMPERATURE & HUMIDITY MONITORING SENSOR

## Affordable & Easy To Deploy

- 100% Wireless temperature (humidity available) sensor – Installs in seconds with no tools needed
- Receive personal alerts via Email & Text – Phone call notifications to better protect assets
- SoniCloud Web-based dashboard allows for remote access across any location, from web dashboard or mobile app
- IP-67 Rated, ideal for cold storage environments
- Highly Cost-Effective – Easily scales across multiple facilities
- App-based implementation Wizard – Easy to setup
- Available w/NIST Certification – Maintain Compliance

### S-SERIES APPLICATIONS

Data Center

Healthcare

Convenience Stores

K-12

Food Production

Warehouses

## S-Series is compatible with Sonicu Mobile app iOS and Android

Summary Views

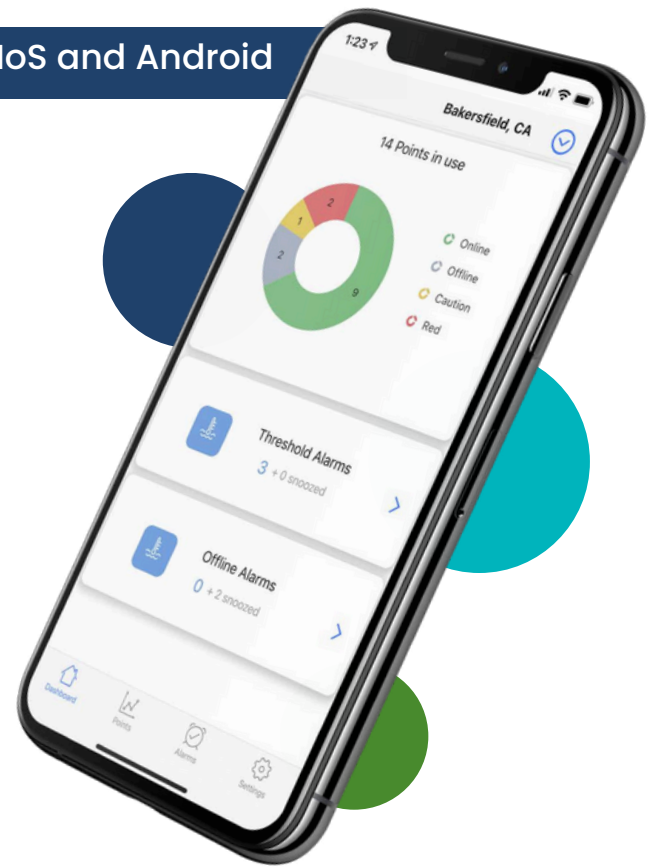

View Temp Logs

Respond/ Resolve

Hardware Config.

**Additional App Functions:** Enterprise dashboard, active alarm summary, alarm details, network connectivity, configuration, file upload, zone view, and more!

## Applications & Industries

Ideal for any commercial refrigeration or ambient room condition monitoring with a wireless application and battery-powered flexibility. Deploys in minutes with mobile installation wizard.

**Industries include:** Retail grocery and cold chain applications as well as data/server rooms. K-12 for both cold storage and ambient conditions.

## S-Series Specifications

Dimensions	76mm x 66mm x 25mm
Weight	3.00 oz
Battery Life	2 Years
Communication Method	LoRaWAN US915
Operational Temp Range	100 meters** (Under normal Operating Conditions)
Operational Temp Range	-30°C to 60°C
Temperature Reading Accuracy	± 0.5°C** (Typical)
Humidity Reading Accuracy	± 3% RH Max** (Typical)
Enclosure Ratings	Food Safe ABS Plastic, IP67

## S-Series Dimensions

# Software

- Automate Compliance Reporting
- Instant Reports delivered to your inbox
- Available with or without NIST certificate (prices differ)

- View and respond to your monitoring from anywhere
- Create groups and zones for specific views
- Simple deployment with app-based install wizard

- Excursion reports with instant and historic reporting
- Share with your entire organization simply
- Download as CSV or PDF for easy sharing

## SoniLink Hub in a Grocery Store

### S-Series Delivers

- Ambient temperature and humidity capture
- Cold storage with ranges from -30° to 60° Celsius
- Two years of fully replaceable battery life
- Leverages two double AA batteries
- Simple peel-and-stick installation to virtually any application

### Door Contact Sensor (Optional)
